Heritage Chatsworth
with NHC Cyclo-Therapy®

ADJUSTAMATIC
COMFORT YOU CONTROL

Chatsworth

Looking for a bed to make a statement? Look no further than our Heritage Chatsworth adjustable bed, part of the Heritage bed range. Its button backed head and footboards, in a choice of luxurious fabrics, make this stand out bed, the ultimate in bedroom chic! Combined with the technology the Heritage range offers, this bed is a must for those style conscious customers!

Utilising EASY REACH® technology, any bed in the Heritage range can adjust to an infinite number of positions, without ever drifting from a comfortable reaching distance of your bedside table. All at the touch of a button.

Using some of the finest motors in the world, a premium grade, low carbon steel frame and a handcrafted base, the Heritage range holds tradition first using the finest quality, locally sourced materials.

NHC Cyclo-Therapy®

The NHC Cyclo-Therapy® in our products is supported by over 25 research papers, to deliver relief and relaxation. The cycloid action consists of a multi-directional wave moving up and down, sideways and in a circular direction simultaneously.

This leads to a deep, invigorating therapy that offers numerous benefits without any adverse effects.
