Heritage Hampton
with NHC Cyclo-Therapy®

COMFORT YOU CONTROL

Hampton

The Heritage Hampton combines all the features you would expect in a bed from our Heritage range, with sleek, contemporary style. The ultimate choice for those who are style conscious but still want to experience the ultimate in sleep technology.

Utilising EASY REACH® technology, any bed in the Heritage range can adjust to an infinite number of positions, without ever drifting from a comfortable reaching distance of your bedside table. All at the touch of a button.

Using some of the finest motors in the world, a premium grade, low carbon steel frame and a handcrafted base, the Heritage range holds tradition first using the finest quality, locally sourced materials.

NHC Cyclo-Therapy®

Our medically proven NHC Cyclo-Therapy®, used within healthcare and backed by over 25 medical papers, delivers both pain-relieving and circulation stimulating therapy. The cycloid action consists of a multi-directional wave moving up and down, sideways and in a circular direction simultaneously.

The result is a deep penetrating therapy, providing a multitude of benefits with no harmful side effects.
