Heritage Buckingham
with NHC Cyclo-Therapy®

ADJUSTAMATIC
COMFORT YOU CONTROL

Buckingham

The Heritage Buckingham is part of our highly sought-after Heritage range of Adjustable beds. This stylish bed boasts a premium look headboard and base board, with attention to detail paramount, even down to the buttons in the head and footboards which are covered in your chosen fabric.

Utilising EASY REACH® technology, any bed in the Heritage range can adjust to an infinite number of positions, without ever drifting from a comfortable reaching distance of your bedside table. All at the touch of a button.

Using some of the finest motors in the world, a premium grade, low carbon steel frame and a handcrafted base, the Heritage range holds tradition first using the finest quality, locally sourced materials.

Key product benefits

NHC Cyclo-Therapy®

Our medically proven NHC Cyclo-Therapy®, used within healthcare and backed by over 25 medical papers, delivers both pain-relieving and circulation stimulating therapy. The cycloid action consists of a multi-directional wave moving up and down, sideways and in a circular direction simultaneously.

The result is a deep penetrating therapy, providing a multitude of benefits with no harmful side effects.
